

32nd Annual Cardiology Update

Saturday, December 5, 2020 7:45am-12:45pm

Live, virtual event via Zoom

Description

This course provides a comprehensive review of state-of-the-art practices to diagnose and treat patients with cardiovascular conditions. 32nd Annual Cardiology Update 2020 ensures attendees are current with recent advances in clinical cardiology and the best ways to incorporate them into daily practice to optimize patient outcomes.

Course Directors: Stephen Rowley, MD & Apoor Gami, MD

7:45-8:00am

Welcome, Opening Remarks, and Invocation

Stephen Rowley, MD & Apoor Gami, MD;
Vincent Bufalino, MD;
Reverend Kathie Bender Schwich, FACHE

8:00-8:25am

"What did COVID-19 do to us?"

Reverend Kathie Bender Schwich, FACHE

8:25-8:50am

COVID-19 Cardiac Effects - Mahesh Raju, MD

8:50-8:55am

Break

8:55-9:20am

Cardiorenal Syndrome - Suneel Udani, MD

9:20-9:45am

Cardioprotective effects of SGLT-2 inhibitors

Stan Skaluba, MD

9:45-10:15am

Q&A Panel

10:15-10:25am

Break

10:25-10:50am

Exercise as the Fountain of Youth

Joseph Marek, MD

10:50-11:15am

Orthostatic Hypotension - Cash Casey, MD

11:15-11:20am

Break

11:20-11:45am

Amyloidosis - Ali Valika, MD

11:45am-12:10pm

Cardiac MRI - Lara Bakhos, MD

12:10-12:40pm

Q&A Panel

12:40-12:45pm

Closing

Stephen Rowley, MD & Apoor Gami, MD

Learning Objectives

At the end of this session, learners should be able to describe key elements of treatment protocols for patients at risk of and with heart disease and apply to applicable treatment plans in clinical practice.

Target Audience: Cardiology, Interventional Cardiology, Pulmonology, Cardiac Surgery, Internal Medicine, and Family Medicine physicians, fellows, residents, physician assistants, advanced practice nurses, nurses, cardiac technologists, students and other interested professionals.

Format: Lecture, Q&A

Financial Disclosures: Dr. Casey has disclosed that he is a speaker for Abbott & Janssen. Dr. Udani has disclosed that he is a consultant for Abbott, Aurinia, Boehringer-Ingelheim, Natera, & Retrophin. Dr. Valika has disclosed that he is a speaker for Abbott, Boehringer-Ingelheim, Novartis, & Pfizer. The planners and other speakers have indicated that there are no financial relationships with any commercial interests to be disclosed.

No outside financial support has been received for this meeting.

Accreditation Statement

Advocate Aurora Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement

Advocate Aurora Health designates this live activity for a maximum of 4.25 *AMA PRA Category 1 credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC Recognition Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 4.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared with the ABIM through the ACCME Program and Activity Reporting System (PARS).
