Conflict of Interest Disclosure Statement It is the policy of Aurora Health Care Office of Continuing Education to ensure balance, independence, objectivity and scientific rigor in all of its sponsored education activities. All participating faculty, course directors, and planning committee members are required to disclose to the program audience any financial relationships related to the subject matter of this program.

Disclosure information is reviewed in advance in order to manage and resolve any possible conflicts of interest. All faculty and planning committee members have attested that their financial relationships do not affect their ability to present well-balanced, evidence-based content for this activity. Specific disclosure information for each course faculty will be shared with the audience prior to the faculty presentation.

Accreditation Aurora Health Care is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians. Aurora Health Care designates this live activity for a maximum of 3.50 *AMA PRA Category 1 credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Successful completion of this CME activity enables the participant to earn up to 3.50 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. Participation in Q&A is required in order to earn MOC points

ADA Compliance Aurora Health Care subscribes to the articles of Title III of the Americans with Disabilities Act of 1990. Should you or anyone accompanying you require special assistance, contact jill.hoffman@aurora.org

Target Audience Primary Care, Family Practice, Internal Medicine, Medical Oncology, Radiation Oncology, Surgical Oncology, Obstetricians and Gynecologists, APP's, Residents, Medical Students, all medical staff

Objectives – At the end of this session, learners should be able to:

- Identify and apply the most recent screening guidelines
- Discuss benefits of early diagnosis of cancer with patients
- Promote cancer prevention in their practice
- Discuss the importance of genetics and precision medicine in preventing and treating cancer

The conference will educate regarding American Joint Committee on Cancer (AJCC) staging, prognostic indicators, current preventions and evidence-based guidelines.

Financial Support Supported by an Educational Grant From Schroeder Chair of Surgery Endowment Earnings Fund Through Aurora Health Care Foundation

Registration is free but advance registration is required. <https://cpd.aurora.org>
