Program Overview

This program is designed for physicians, PAs, nurse practitioners, registered nurses, medical staff and pharmacists in Wisconsin and neighboring states wanting to learn about the latest updates in cancer treatment. The conference is designed to review the current clinical updates from the American Society of Clinical Oncology (ASCO) annual meeting. The conference will educate regarding practice-changing findings presented at ASCO 2019.

Statement of Need

This conference will review the latest new therapies and information presented at the annual American Society of Clinical Oncology (ASCO) meeting, highlighting novel approaches to treating patients with cancer. This program will inform healthcare professionals on the most novel treatments and drug indications and allow them to apply that learning in daily practice. Rapidly changing advances in oncology create the need for this continuing education course. The ASCO meeting is the world's largest oncology meeting and is thus the meeting with the most important and practice changing abstracts, studies, and review lectures. However, because of its enormity, it is impossible for one individual to get around to all of the important lectures, scientific symposia, etc. Having a regional review course will ensure that physicians, PAs, nurse practitioners, nurses and pharmacists in the greater Milwaukee and Wisconsin areas will be able to hear a summary of the most important and practice-changing studies, lectures, and learnings from the ASCO meeting.

CME/CPE/CE Accreditation and Credit Designation Statements

CME Credit:

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Institute for Medical and Nursing Education (IMNE), the Wisconsin Association of Hematology and Oncology (WAHO) and Aurora Health Care, Inc. IMNE is accredited by the ACCME to provide continuing medical education for physicians.

IMNE designates this live activity for a maximum of 3.25 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CNE Credit:

The Institute for Medical and Nursing Education, Inc. (IMNE) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This educational program provides 3.25 contact hours of continuing education credit.

CPE Credit:

The Center for Accredited Healthcare Education is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This activity will provide 3.25 contact hours (0.325 CEUs) of credit. The ACPE program number is 0383-9999-19-001 - L01-P (Knowledge).

In order to obtain pharmacy credit, the participant must attend the entire conference, complete the program evaluation, and provide their ePID/NABP number & month/date of birth as requested in the evaluation.

If you have any questions regarding the CME, CE or CPE credit being offered for this meeting, please contact IMNE at info@imne.com.

Disclaimer The information presented in this activity represents the opinion of the faculty and is not necessarily the official position of Aurora Health Care, Inc., WAHO, its affiliated chapters, or IMNE.

Learning Objectives At the conclusion of this activity, participants should be able to:

- Identify new therapies for treating patients with cancers.
- Describe at least one practice-changing study for cancers, such as Lymphoma, Breast, Lung, GI, and GU cancers.
- Explain how to incorporate newer agents into the current paradigm of care for diseases, such as Lymphoma, Breast, Lung, GI, and GU cancers.
- Provide accurate and appropriate counsel as part of the treatment team.
- Provide appropriate care and counsel for patients and their families.

Agenda **Grand Ballroom, 7th floor**

7:45 am **Registration / Breakfast / Exhibits**

8:30 **Program Overview**
Michael P. Mullane, MD

8:45 **GI Cancer Update**
Tanio Bekaii-Saab, MD

9:15 **Lung Cancer Update**
Lawrence H. Einhorn, MD

9:45 **GU Cancer Update**
Walter Stadler, MD

10:15 **Break / Snacks / Exhibits**

10:30 **Lymphoma & Lymphoproliferative Disorders**
Jason Westin, MD

11:00 **Breast Cancer Update**
Ruth O'Regan, MD

11:30 **Precision Medicine**
Michael A. Thompson, MD, PhD, FASCO

12:00 pm **Wrap up**
Michael P. Mullane, MD
