## Learning Objectives

At the end of this session, learners should be able to appropriately incorporate guidelines into treatment plans when diagnosing and treating patients at risk of and with heart disease.

**Target Audience:** This activity is designed for physicians, advanced practice clinicians, nurses, and other interested healthcare professionals

**Financial Disclosures:** The Speaker, Dr. Brown, has disclosed that he is a Consultant/Speaker for Amgen, Esperion, and Regeneron; a Consultant for Novartis; a Speaker for Amarin; and was a Consultant for Ionis. The Speaker, Dr. Malick, has disclosed that he is Speaker for Janssen. The Planners and additional Speakers have indicated that they have no financial relationships with any ineligible companies to disclose. Conflicts of Interest for Dr. Brown and Dr. Malick have been identified and mitigated prior to the activity.

## Accreditation Statement:

In support of improving patient care, Advocate Aurora Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER  
INTERPROFESSIONAL CONTINUING EDUCATION

**Credit Designation Statement:** Advocate Aurora Health designates this live activity for a maximum of 3.25 AMA PRA Category 1 credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## ABIM MOC Recognition Statement:

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 3.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

\*Non-CME
