

# Clinical Applications and Safety Concerns of GLP-1 Agents

2/19/26, 1200-1300 CST/1300-1400 EST | Virtual via Teams Webinar

**Overview:** This presentation highlights the evolving role of GLP-1 receptor agonists in clinical practice, focusing on their mechanism of action, therapeutic indications, safety considerations, and emerging applications beyond diabetes and weight management.

**Speaker:** Daniela Miteva Kamceva, PharmD, PGY1 Pharmacy Resident – Advocate Health Good Samaritan Hospital

**Preceptor:** Anthony Phan, PharmD, BCPS

## Objectives:

1. Recall the GLP-1 receptor agonist class, including its mechanism of action, therapeutic indications, and pharmacokinetic properties that influence clinical application.
2. Describe safety considerations, such as drug–drug interactions, FDA warnings, and strategies to minimize risk in prescribing
3. Outline evidence for diverse clinical applications by reviewing key clinical trials and discussing potential benefits and risks for indications beyond diabetes and weight management.

**Target Audience:** Advocate Health Pharmacists, Physicians, Nurses, and other interested healthcare professionals

**Disclosure:** The planner(s) and speaker(s) have indicated that there are no relevant financial relationships with any ineligible companies to disclose.

**Link to Live Sessions:** [Pharmacy Grand Rounds 2026](#)

**Commercial Support:** There is no financial support for this activity.

## Accreditation Statement:

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Advocate Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

## Credit Statement(s):

### Accreditation Council for Pharmacy Education (ACPE):

Advocate Health designates this live activity for a maximum of 1 hour of CPE credit for pharmacists. CPE credit can be claimed on the AH CE platform within 60 days of activity completion and information will be provided to CPE Monitor. Participants should only claim credit commensurate with the extent of their participation in the activity.

UAN: JA0006327-0000-26-001-L01-P

**American Medical Association (AMA):** Advocate Health designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**American Nurses Credentialing Center (ANCC):** Advocate Health designates this live activity for a maximum of 1.0 ANCC contact hours/APRN pharmacological hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.
